B&C SHIELD SOFTSHELL PRO P.292

This high performance 3-layer rip-stop PRO Softshell jacket is ergonomically designed to provide high levels of comfort, whatever the job. It's strong, modern look adds style but it's also waterproof and windproof, providing great protection to those working outdoors. Functional details complete the ideal partner at work. Its carefully designed ergonomic construction ensures the wearer ease of movement, thanks to the elasticity of its fabric. A micro-fleece lining, full internal stormflap, standing collar and chin protector make it warm and really weatherproof, ideal for working outdoors, whatever the season. Functional, durable and reliable it's a perfect choice for the most hardworking team.

B&C SHIELD SOFTSHELL PRO

B&C COLLECTION
OUTER WEAR / UNIT

Jackets pro

DESIGNED TO WORK AS HARD AS YOU DO

Effective weather protection must be combined with functional designs and comfortable fits to make sure outdoor teams can deliver optimal performance, whatever the job, in any season. The B&C PURE PRO Jackets have been created to meet the heavy-duty needs of teams in a range of industries, from construction to engineering, where protection from the elements goes hand in hand with functionality and durability. Made from high quality fabrics and including details such as multiple pockets, shoulder and elbow reinforcements and durable zips, these comfortable jackets are also designed to be easily decorated so your company brand stands out.

Be inspired. Keep working.

B&C SHELTER PRO P.342

Made to last, this highly functional, heavyweight workwear jacket is designed to protect workers in a range of environments, however bad the weather gets. Its strong, modern look is combined with quality functional details to make sure the wearer is comfortable and visible at all times. Its carefully designed ergonomic construction make this heavyweight workwear jacket comfortable to wear, offering protection and ease of movement. A heavy padded lining, full external stormflap, standing collar and chin protector ensure warmth and weather-proofness, whilst its longer back protects whether standing or kneeling. 12 multifunctional pockets complete this perfectly reliable and durable working partner.

B&C SHELTER PRO

B&C EXPERT PRO P.344

Designed to give great protection whilst allowing for total freedom of movement, this highly functional workwear bodywarmer is perfect for active teams in a range of environments. Its ergonomic construction including deep cut armholes with elasticated weather protectors makes it warm and comfortable to wear. Quality functional details, including multiple pockets, a longer back for added protection and reflective piping at the front for enhanced visibility ensure practicality, durability and safety, day and night.

TRANSFER ON NYLON (B&C SIROCCO)

The Outerwear Unit collection has been designed with high quality fabrics to offer the best solution in terms of brand visibility and impact.

Screenprint, transfer, sublimation or embroidery techniques were tested on all our B&C jacket fabrics to show you our high-quality results in decoration.

You can let your inspiration free, confident of great decoration results.

DECORATION MADE EASY BY B&C

OPTIMISED PRINT AREA

Decoration areas have been optimised on every style, to make sure you can make your customer's brand or message stand out.

EASY ACCESS SOLUTION

B&C Jackets are equipped with hidden entries to give easy access for decoration and **avoid any limitations** - that you would expect from a lining or padding - **without compromising look, finishing and quality.**

Display your ideas on the back, on the front and in some cases on the sleeves too.

TESTED FOR DECORATION

All fabrics of the B&C Outerwear Unit are carefully selected to ensure premium print results. Discover the tested decoration techniques for each style and fabric.

CALLING CARD FOR YOUR BUSINESS

Discover in which business environments the B&C outerwear styles are ideally suited for.
